

2023 ANNUAL REPORT

As we reflect on the past year, it fills me with immense pride and gratitude to share the accomplishments of BGC Kamloops and Williams Lake Club. This has been a year of remarkable achievements and significant transitions and it's my pleasure to share with you the highlights of a busy year and to acknowledge the departure of our former Executive Director, whose leadership has been instrumental in our success.

The past year has presented unique challenges, but it has also brought forth opportunities for innovation and resilience. We have continued to adapt our programs to meet the evolving needs of our community, ensuring that our services remain accessible and impactful.

Our after-school programs, summer camps, and youth programs have seen remarkable participation and engagement. The success stories from our programs are countless, each one highlighting the positive impact we have on the lives of young people. We have managed to secure funding for several new projects and have maintained a strong financial position despite a climate of economic uncertainty. This financial stability ensures that we can continue to offer high-quality programs and services to the communities we serve.

It was with mixed emotions that we announced the departure of our Executive Director, Traci Anderson, last year. Traci was with the Club for 30 years and served as Executive Director for a decade. Under Traci's guidance, we have not only expanded our programs and services but have also built a strong foundation for future growth. We are grateful for her contribution and wish Traci all the best with her new role with BGC Canada.

I am honoured to serve as the President of the BGC Kamloops Williams Lake Club board and want to extend my thanks to our members, families, volunteers, staff, partners, and donors. Together, we are making a significant difference in the lives of children, youth, and families in Kamloops and Williams Lake.

Clifford Robinson, Board President
