How we combat food insecurity

We offer hot meals and snacks as part of our programs.

Since the start of the COVID-19 pandemic, we have seen an increase in food services. Last year, we served **11,312** hot meals to youth.

In January 2021, we opened the Youth Necessity Nook
The Nook is a barrier-free "food bank" for youth ages 11-24 to come & access food & hygiene supplies for free. We distributed **399** hampers last year, helping to combat food insecurity in our youth community.

Youth Outreach Services

Our Outreach Worker goes into the community providing youth with food, drinks, hygiene supplies, and connection to the Club & other resources. On average, **65** unique youth were served monthly.

Youth Programs & Services

We expanded by **5** new, FREE programs & included youth up to age 24 as part of our regular programs! Last year we offered a total of **13** programs just for youth & our Extended Programming is exclusively for youth aged 15-24.
