"This has been the best summer job I've ever had and probably the best I ever will have! I'm sad it's over."

Thank you, TD for sponsoring our bus and a love of reading!

"It's been amazing!...This year we really followed you guys and made sure to come every week! I've got 75 things to do today but we made sure to come to the book bus first!"

I like coming to the Bright Red Book Bus because... "I find the exact book I've been looking for!"
