Nourishing young bodies and minds is at the heart of everything we do. BGC Kamloops (est. 1955) and BGC Williams Lake (est. 1994) share a combined 103 years of dedicated community service. This year's annual report serves up our true recipe for success, showing exactly how we continue to nourish, support, and uplift our communities.

From the Chef's Desk

Refining our recipe for continued success

Upon reflection of this past year, I have felt a strong sense of commitment and dedication across our organization. I have had the opportunity to meet more of the staff and I continue to be deeply impressed by their unwavering commitment to youth and to each other. I am grateful for the generosity and support in our community, and, despite our challenging economy, have been humbled to witness the number of people and organizations who have stepped forward to support us in keeping our youth safe and to assist us in shaping their lives in a positive way.

The anticipation of the upcoming year brings a twinge of sadness as we bid farewell to several Board members: Cliff Robinson, Michael Oatway, Greg Thomson, and Jordan Davis. Their attention to detail and commitment to sound financial management have helped ensure the continued success and sustainability of our organization. Thank you for the countless hours you have devoted behind the scenes and for the wisdom and professionalism you brought to every discussion. Your reliability, transparency, and collaborative spirit were deeply valued by both the Board and our organization and we have been very fortunate to have had you as part of our leadership team for so many years. These vacancies have brought a change to our Board and we are very fortunate to have welcomed two new Board members, Kristin Robinson and Jacob Brown. Their experience, perspectives, and commitment to our mission strengthen our organization and reflect a shared dedication to supporting children, youth, and families in our community. We are grateful for their willingness to serve and we look forward to the contributions they will make in the years ahead.

It is important to also highlight our valued partnership with the City of Williams Lake. I found my recent site visit and tour of the City invaluable. I was also fortunate to attend the National Conference in Winnipeg where I was continuously inspired by the strong relationships, shared purpose, and deep commitment to our youth.

As we navigate these busy and challenging times, I want to extend my sincere thanks to all the staff, families, and fellow Board members for your ongoing partnership and commitment. Your dedication makes a difference in the lives of our youth and children each and every day.

I look forward to the year ahead as I know that there is nothing we cannot overcome when we all work together to make BGC in Kamloops and Williams Lake a success.
